

Disclaimer, Legal, Terms & Conditions, Know your rights.

RadproMarkets Ltd. (also referred to as just “RadproMarkets” or “RpM”) is fully committed to safeguarding the privacy of its website, visitors and electronic mail users. The details of this policy, together with the RadproMarkets Ltd. Terms and Conditions sets the way in which any personal data is collected from the User, any data that the User provides and how this data is processed.

The User is expected to fully read and understand RadproMarkets Ltd's Privacy Policy.

RadproMarkets Ltd. is contracted to provide administrative services to Eurivex Ltd. Eurivex is a Cyprus registered company, therefore it functions in compliance with the Data Protection Act (Law 138(I) 2001) of Cyprus and accordingly the data controller of data collected and processed is Eurivex Ltd.

Your Questions Answered

What information does RadproMarkets collect from the User?

RadproMarkets may collect and store the following data about the User :

1. Information that the User provides by filling in forms on the RadproMarkets website www.radpromarkets.com (“RadproMarkets website”). This includes information provided to open an account and other functions on the website. RadproMarkets may also ask the User for information when the User reports a problem or a complaint with the website, services, etc.
2. If the User contacts RadproMarkets, RadproMarkets may keep a record of that correspondence. RadproMarkets may also ask the User to complete surveys that it uses for research purposes, although the User is not bound to respond to requests to complete forms or surveys.
3. Details of transactions the User carries out through the RadproMarkets website and of the fulfilment of the User’s orders whether through the website or other means.
4. Details of the User’s visits to the RadproMarkets website including, but not limited to, traffic data, location data, weblogs and other communication data, whether this is required for RadproMarkets’s own billing purposes or otherwise and the resources that the User accesses.

We Use Cookies

A cookie consists of information sent by a web server to a web browser and stored by the browser. The information is then sent back to the server each time the browser requests a page from the server. This enables the web server to identify and track the web browser.

RadproMarkets may collect information about the User’s computer, including, where available, the User’s IP address, operating system and browser type for system administration and to report aggregate information.

This is statistical data about RadproMarkets's User's browsing actions and patterns, and does not identify any individual. Cookies contain information that is transferred to the User's computer hard drive, they help RadproMarkets to improve its website and to deliver a better and more tailored service. They enable RadproMarkets to:

1. Estimate RadproMarkets's audience size and usage pattern;
2. Store information about the User's preferences, and so allow RadproMarkets to customise its website according to the User's individual interests;
3. Speed up the User's searches;
4. Recognize the User when the User returns to the RadproMarkets's website.

The User may refuse to accept cookies by activating the setting on the User's browser which allows the User to refuse the setting of cookies. However, if the User selects this setting the User may be unable to access certain parts of the RadproMarkets website. Unless the User has adjusted the User's browser setting so that it will refuse cookies, RadproMarkets system will issue cookies when the User logs on to the website.

Where does RadproMarkets store User data?

The User Data collected and processed is stored with RadproMarkets and its server however as per section 9 of the Data Protection Law, such data may be transferred to, and stored at a destination outside the European Economic Area ("EEA").

It may also be processed by staff operating outside the EEA who work for RadproMarkets or for one of RadproMarkets's business associates. Such staff may be engaged in, among other things, the fulfilment of the User's order, the processing of the User's payment details and the provision of support services. By submitting the User's personal data, the User agrees to this transfer, storing or processing.

RadproMarkets will take all steps reasonably necessary to ensure that the User's data is treated securely and in accordance with this privacy policy. All information the User provides to RadproMarkets is stored on RadproMarkets's secure servers. Where RadproMarkets has given the User (or where the User has chosen) a password which enables the User to access certain parts of RadproMarkets's website, the User is responsible for keeping this password confidential.

RadproMarkets asks the User not to share their password with anyone. Unfortunately, the transmission of information via the Internet is not completely secure. Although RadproMarkets will do its best to protect the User's personal data with the use of strict procedures and security features to prevent unauthorised access, RadproMarkets cannot guarantee the security of the User's data during transmission to RadproMarkets's website; any transmission is at the User's own risk.

How does RadproMarkets use the Data collected and processed?

RadproMarkets uses information held about the User in the following ways:

1. To ensure that content from RadproMarkets's website is presented in the most effective manner for the User and for the User's computer;
2. To carry out RadproMarkets's obligations arising from any contracts entered into between the User and RadproMarkets;

4. To notify the User about changes to RadproMarkets's service;

Disclosure of Information

RadproMarkets will disclose the User's personal information to Eurivex Ltd. as part of the account opening process.

RadproMarkets may also disclose the User's personal information to third parties:

1. If RadproMarkets is under a duty to disclose or share the User's personal data in order to comply with any legal obligation, or in order to enforce or apply RadproMarkets's Terms of Business and other agreements; or to protect the rights, property, or safety of RadproMarkets, RadproMarkets's customers, or others. This includes exchanging information with other companies and organisations for the purposes of fraud protection and credit risk reduction.

User Rights

As per Part III of the Data Protection Act, Cyprus, the User has the right to ask RadproMarkets not to process the User's personal data for for any purpose other than those specified on the RadproMarkets website, if such data is to be used for any other purpose other than historical or statistical purposes, the User reserves the right to be informed.

Usually, RadproMarkets will inform the User (before collecting the User's data) if RadproMarkets intends to use the User's data for such purposes or if RadproMarkets intends to disclose the User's information to any third party for such purposes. The User can exercise its right to prevent such processing by checking certain boxes on the forms RadproMarkets uses to collect the User's data. Such data cannot be processed for Direct Marketing purposes as per Part III, Section 15(1) of the Data Protection Act, Cyprus. In this regard, RadproMarkets vouches that it will not use or supply such User information to third parties for the purpose of Direct Marketing.

Further as per Part III, Section 17 of the Data Protection Act, Cyprus, the user reserves the right to compensation in the event of any damages suffered as a result of violation by RadproMarkets or its affiliates of data provided.

RadproMarkets's website may, from time to time, contain links to and from the websites of RadproMarkets's partner networks, advertisers and affiliates. If the User follows a link to any of these websites, the User should please note that these websites have their own privacy policies and that RadproMarkets does not accept any responsibility or liability for these policies. The User should please check these policies before submitting any personal data to these websites.

Access to Information

Data Protection laws do entitle the User the right to access information held and processed about the User. The User's right of access can be exercised in accordance with Part III, Section 12 of the Data Protection Act, Cyprus.

Changes to the RadproMarkets Privacy Policy

Any changes RadproMarkets may make to its privacy policy in the future will be posted on this page and, where appropriate, may be notified to the User by e-mail.

Updating Information

The User is advised to inform RadproMarkets if and when their personal information, which RadproMarkets holds about the User, has been updated or corrected. (The Corrections), the responsibility to update the User's information will vest with the User.

Contact

Questions, comments and requests regarding this privacy policy are welcomed and should be addressed to: info@radpromarkets.com.

General Guidelines

RadproMarkets Ltd. operates as an administrative services contractor to Eurivex Ltd. RadproMarkets does not EVER hold clients funds or securities or receive or transmit orders for the purchase or sale of securities or derivatives. RadproMarkets facilitates the account opening process with Eurivex Ltd. An entity regulated in Cyprus.

New Accounts– As part of the account opening process all users are required to provide evidence of their identity. This takes the form of a copy of photographic evidence, a passport or photographic driving licence or identification card and proof of address such as a bank statement or a utility bill from a government or semi government owned service provider (including that of a mobile service provider) dated no more than 90 days prior to the account opening date.

Client Payments– All payments for the buying of stock are made from the Eurivex (Company number: 114/10) trading portal which is regulated by the Cyprus Securities and Exchange Commission (CySEC), accordingly all payments must originate from a bank account in the exact name of the Eurivex Account holder. Any funds originating from a different account will be returned to source and any bank charges made will be deducted.

Collection of Your Personal Information

In order to Activate your account with Eurivex Ltd. you will have to submit approved KYC documentation in order to verify your identity and domicile. This information is for our records only and whilst it will be stored within your Eurivex profile, it will not be visible and the record will remain private. Your information will remain confidential at all times, unless it is required by law or the authorities for review without prior notification. Once you have registered and have an active account, you will be required at all times to sign in with the Account Number and password of which you will be notified by Eurivex. You will receive a confirmation email detailing your Account Number and password, please keep this record safe and do not share this with anyone. Your password can be changed or recovered at any time using the password recovery option.

We ask you when registering with Eurivex to provide personal information for management of the account and for KYC control purposes, as already stated. The information that we might require from you, such as your e-mail address, name, home or work address or telephone number etc. We may also collect demographic information, such as your postcode, age, gender etc.

We may collect information about your visit, including the pages you view, the links you click and other actions taken in connection with RpM and Eurivex. We also collect certain standard information that your browser sends to every website you visit, such as your IP address, browser type and language, access times and referring web site addresses. We do not share this information with any third party. From time to time, you may receive sales aids, newsletters or promotional emails from RpM or, customised links or similar technologies to determine whether the email has been opened and which links you click in order to provide you with more focused email communication or other information in the future.

RadproMarkets collects and uses your personal information to operate and improve its site and to carry out the transactions you have requested via our website.

We also use your personal information to communicate with you. We may send certain mandatory communications such as welcome letters and information on technical issues.

Personal information collected on the RpM website may be stored and processed and transferred to any country inside or outside the European Community in which RpM or its affiliates, subsidiaries or agents maintain facilities. RpM guarantees that the transfer of private information to other affiliates will comply with this Privacy Policy and RpM will guarantee the highest level of data protection.

Disclaimer

RadproMarkets Ltd. is registered in the Seychelles. It is a company that provides administrative services to facilitate the opening of accounts with Investment firms, such as Eurivex Ltd.

Investing in financial instruments involves a high degree of risk and may not be suitable to all investors. Trading in such financial instruments can result in both an increase and decrease in capital. Investors trading in high leveraged instruments may lose all their invested capital, where sometimes losses may be more than the initial investment. Nothing on this website should be interpreted to state or imply that past results are an indication of future performance. There are no warrants, expressed or implied, as to accuracy, completeness, of results obtained from any information posted on this or any "lined" website. RpM or Eurivex or its officials are not responsible for any losses and before trading, you should consult an independent advisor or professional if necessary. Please refer to our Risk Warning and Terms and Conditions which is available on our web site for further information.

Terms of Use

Welcome to the RadproMarkets website. If you continue to browse and use this website you are agreeing to comply with and be bound by the following terms and conditions of use, which together with our privacy policy govern RpM's relationship with you in relation to this website. The term 'COMPANY' or 'us' or 'we' refers to the owner of the website. The use of this website is subject to the following terms of use:

1. The contents of the pages of this website are for your general information and use only. It is subject to change without notice.
2. Neither we nor any third parties provide any warranty or guarantee as to the accuracy, timeliness, performance, completeness or suitability of the information and materials found or offered on this website for any particular purpose. You acknowledge that such information and materials may contain inaccuracies or errors and we expressly exclude liability for any such inaccuracies or errors to the fullest extent permitted by law.
3. Your use of any information or materials on this website is entirely at your own risk, for which we shall not be liable. It shall be your own responsibility to ensure that any products, services or information available through this website meet your specific requirements.
4. This website contains material which is owned by or licensed to us. This material includes, but is not limited to, the design, layout, look and appearance. Reproduction is prohibited other than in accordance with the copyright notice, which forms part of these terms and conditions.
5. All trade marks reproduced in this website which are not the property of, or licensed to, the operator are acknowledged on the website.
6. Unauthorized use of this website may give rise to a claim for damages and/or be a criminal offence.
7. From time to time this website may also include links to other websites. These links are provided for your convenience to provide further information. They do not signify that we endorse the website(s). We have no responsibility for the content of the linked website(s).
8. You may not create a link to this website from another website or document without RpM's prior written consent.
